

RIA - SUMMER OUTLOOK & FORECAST

- *LAI D OFF? RETIRING? OR PLANNING FOR YOUR FUTURE?*
- *CONCERNED ABOUT WHERE WE ARE HEADED ECONOMICALLY?*
- *IS IT TIME TO "SELL IN MAY & GO AWAY?"*
- *HOW TO INVEST FOR A TRUMP OR CLINTON PRESIDENCY?*

THEN YOU NEED TO WATCH THE FOLLOWING SUMMER OUTLOOK & MARKET FORECAST.

(Brought to you by Real Investment Advice, Lance Roberts Show and KSEV Radio am700)

Topics Covered:

- The state of the economy.
- The risk of a severe market correction.
- What would a Trump or Clinton Presidency mean for the stock market and the economy. •
- Where are interest rates headed next? Oil? The Dollar?
- The long-term outlook for the markets & your money, and;
- What you should be doing now to protect yourself.

This is an educational and informational presentation to help you make better financial decisions for your future. It is not a "sales pitch" to sell you gold, guns, ammo, or oversized cans of "beanie-weenies."
