

Yesterday, on the "Real Investment Hour" we were privileged to visit with Nomi Prins to discuss the Fed's rate hike decision yesterday and the end result of the ongoing surge in debt combined with continued Central Bank interventions.

**Spoiler Alert:** "It Ain't Good."•

Nomi, is also graciously giving our readers an **"exclusive 40% discount"** on her upcoming book "Collu\$ion" just by clicking the link below:

**[Pre-Order "COLLU\\$ION" Now - 40% OFF](#)**

Enjoy the interview and order the book.
