

Last weekend, I joined Richard Rosso, CFP and Danny Ratliff, CFP to discuss the outlook for the markets for the rest of this year and take questions from our attendees. **We cover a lot of ground from:**

- *The financial markets now and what to expect.*
- *Valuations*
- *Inflation outlook.*
- *The dollar.*
- *Why Government actions are destroying the foundation of capitalism.*
- *Plus some interesting questions on*
 - *Why you shouldn't put real estate in a tax-deferred account.*
 - *Better ways to build tax-free retirement funds*
 - *Cryptocurrencies and gold*
- *Plus much more.*
