

# New Charting System Available

We have recently switched charting systems to provide users with better functionality and tools for charting and analyzing stocks and ETFs.

You will need to CLEAR YOUR CACHE on your browser and then refresh your browser. It will take a few seconds for the new charting system to load the first time, so be patient.

**Go to the RESEARCH tab and click CHART**

The screenshot shows the SimpleVisor website interface. The top navigation bar includes the SimpleVisor logo, a menu icon, the user's account name 'XOM', and 'L Roberts'. The left sidebar contains navigation options: Dashboard, Commentary, Ideas, Research (expanded), Research - Stock, Chart (highlighted in yellow), MoneyFlow, Portfolios, Trade (Learn/Register), Trade (Login), and TPA PRO+.

The main content area is divided into several sections:

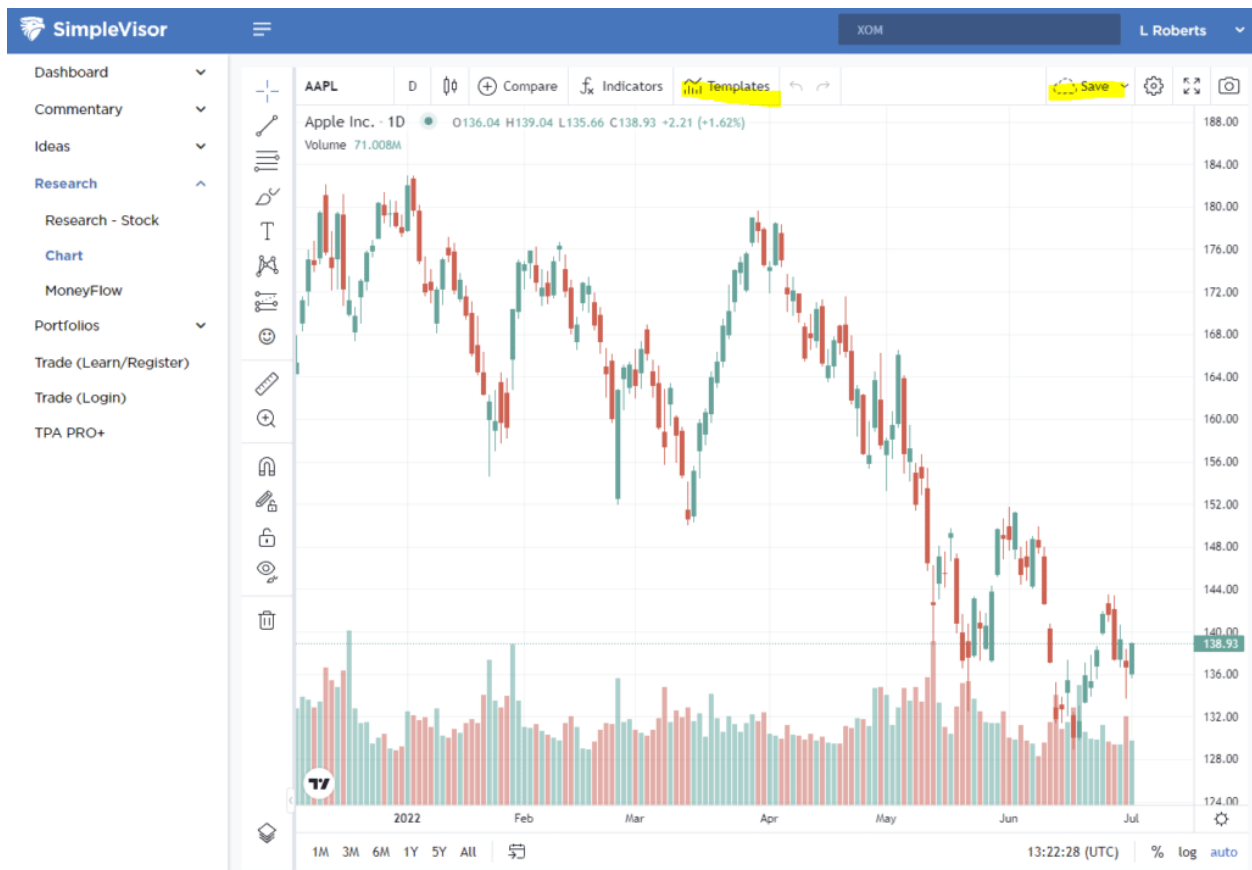

- My Portfolio Summary:** A table showing financial metrics:
 

Starting Cash	Current Cash	Dividend	Market Value
\$324,000.00	\$8,557.86	\$5,293.66	\$320,722.79
P&L	P&L (%)	Daily P&L	Daily P&L (%)
\$-3,277.21	-1.01%	\$2,685.85	0.84%
- Today's Market:** A table of market indices and a line chart.
 

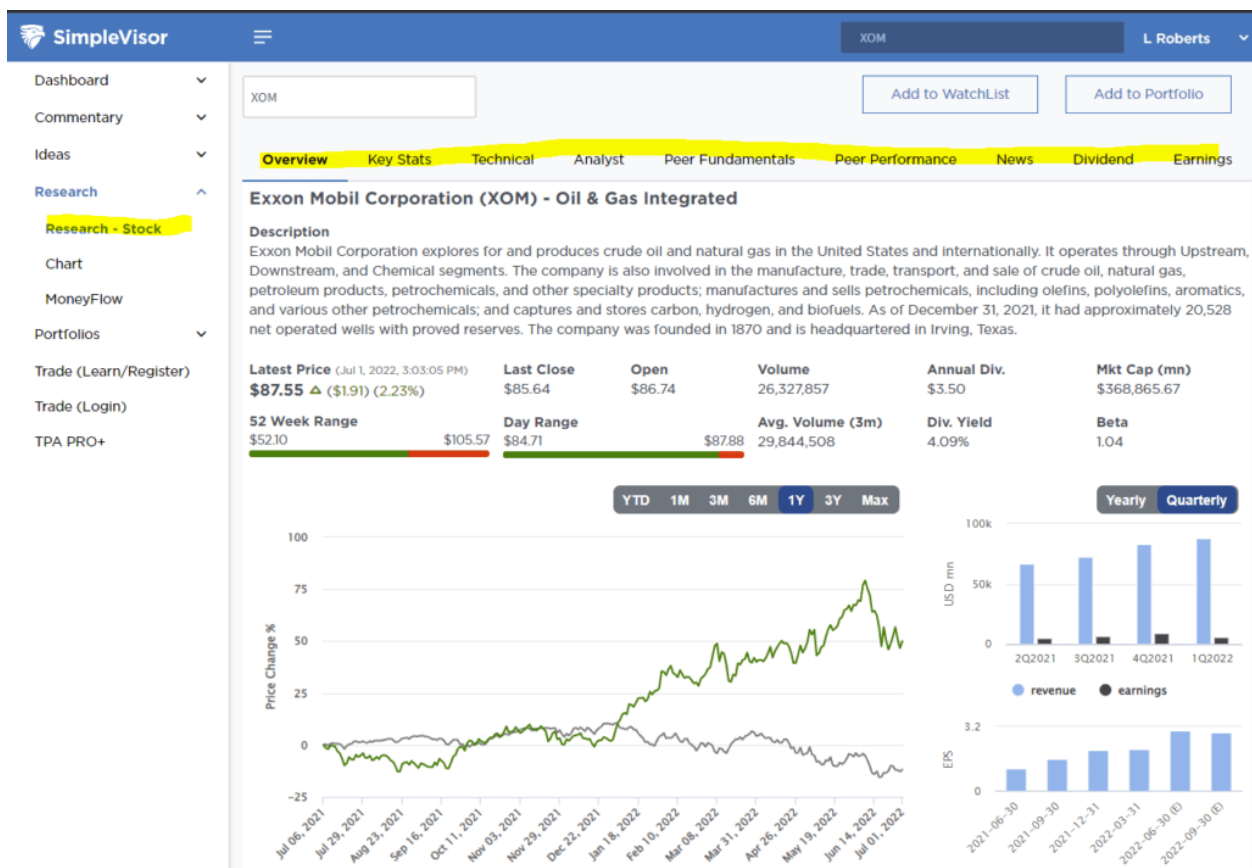

Symbol	Price	Change	% Change
